Blink – The All Digital Neobank

- Launched in February 2022, Blink targets unbanked, underbanked millennials and Gen-Zs within the retail banking space in Jordan.
- First regionally to offer unsecured lending in the form of credit cards through an end-to-end digital lending capability.
- Blink offers a completely new and unique user interface and experience that is different from other banks; it focuses on simple bank-jargon-free transparent ways of banking to foster financial literacy, educate customers and empower them to get their financial freedom.
- Some of the services offered are digital onboarding, eKYC, virtual and physical debit and credit cards, payments and other daily banking digital services.
- Blink has also partnered with players outside the financial services industry to bring lifestyle value added services, in the form of promotions, discounts, cash back, etc.

Digital Transformation – To Drive Sustainable Growth

Improved Self-Service Capabilities

- Capital Bank's digital channels have achieved a remarkable adoption rate with nearly 100% among Corporate and SME clients and approximately 91% of clients utilising the Bank's digital channels for their daily transactions.
- Customers now can open additional accounts and create Term Deposits via the app which increased the average balance amount per client.

Customer Centricity & Experience

- Capital Bank has improved and streamlined its digital onboarding process; placing customer experience and journey at the forefront to provide customers a consistent and effortless experience. The automated system minimises the need for human involvement, resulting in reduced turnaround times, manual efforts, and rework rates.

Enhanced Efficiency & Productivity

- Capital Bank expanded its offerings by introducing over 20 new digital services and diversifying payment methods, both domestically and internationally. These measures have reduced the need for traditional branch visits, streamlined operations and improved customer satisfaction thereby contributing to the overall reduction of Capital Bank's green footprint.

Ecosystem and Partnerships

- Seamless integration with Capital Investments enabled customers to link their bank accounts with their investment portfolios and open a Capital Investments account steered via Capital Bank's mobile application to Capital Investments website.
- The enhancement of Capital Bank's Easy Payment Plan (EPP) service has provided customers with the ability to complete their purchases through a more convenient monthly installments option.

Innovation in Payments

- In 2023 Capital Bank launched Apple Pay, enabling customers to link any of Capital Bank's cards to their Apple Wallet for convenient and secure contactless and online payments. Android users can also make contactless payments using Capital Bank's cards on NFC-enabled payment devices.
- Capital bank introduced credit card issuance within the app, providing further convenience to customers.

Increased Digital Adoption

- The introduction of Smart POS by Capital Bank aimed to expand merchant network and encourage the uptake of non-cash transactions. This led to a substantial rise in card usage and contactless payments.
- The number of customer logins and daily digital banking transactions have been steadily growing indicating increased digital adoption and positive customer experience.

- b. Environmental Management

Pillar 2 – Social: Creating Value for Our People and Communities:

- a. Workforce Development and Inclusion
- b. Local Communities
- c. Financial Inclusion & Literacy
- d. SME Growth
- e. Customer Experience and Satisfaction

Pillar 3 – Governance: Implementing Robust and Responsible Corporate Governance:

- a. Data Security
- b. Innovation and Digitisation
- c. Incorporation of ESG Factors in Credit Analysis

ESG – Awareness and Approach

ENVIRONMENTAL

SOCIAL

GOVERNANCE

The sustainability report showcased Capital Bank's remarkable accomplishments, particularly in the areas of climate action and environmental protection. The Bank has demonstrated its commitment to a more sustainable future by providing financing for renewable energy projects. Additionally, Capital Bank focused on creating value for its employees by implementing training and support programmes aimed at their professional development whilst simultaneously directing its efforts towards benefiting the community through a range of social and humanitarian initiatives aimed to enhance the well-being of individuals and groups within the community, such as;

- Adopting active measures to reduce its environment footprint through implementing waste, paper and plastic recycling in partnership with local NGOs (the Green Wheelz Initiative for recycling plastic bottles' caps and used paper recycling in cooperation with Princess Alia Foundation).
- Sponsoring the academic and skill enhancement programmes geared towards disadvantaged students from around Jordan. Capital Bank extended its partnership with the following NGOs and Civil Society organisations:
 - Queen Rania Foundation.
 - Elia Nuqul Foundation.
 - Loyac Jordan for Youth Employability.
 - Injaz for Education & Entrepreneurship.
 - Eywa' Centre for Special Education.
 - Al Bunayyat Centre for Special Education.
- Continuing the Employee Educational Grant programme whereby the Bank covers the educational fees of selected employees' children; based on a set criteria, and in parallel continues to support socio-economic development targeting under-privileged members in the society in partnership with entities, some of which being:
 - The Jordanian Hashemite Fund for Human Development.
 - Orphan Support Association – Mafrag.
 - Aman Fund for Aman Fund for the Future of Orphans.
 - The Crown Prince Foundation.

ESG – Awareness and Approach

ENVIRONMENTAL

SOCIAL

GOVERNANCE

In terms of governance the Bank integrated a social and environmental management system to assess ESG risks of the credit decision making process, some of which are as follows:

- Implementing a regular Environmental & Social ('E&S') performance assessment through an E&S board-approved policy that is based on IFC standards.
- E&S procedures have been fully integrated pertaining to categorisation, assessment and monitoring into the credit approval system.
- Conducting adequate E&S training to designated credit/front office staff members through the IFC E-learning platform to enable them to report any E&S risk as part of their standard processing of transactions.
- Categorising transactions based on exposure to E&S risk sectors as per Capital Bank's E&S policy, by performing an analysis for relevant transactions to assess the identified risks, mitigate and manage risks associated to these transactions by identifying the problems and designing adequate solutions using IFC Standards.
- Monitoring the E&S performance of clients through staff annual site visits and questionnaires.

Additionally, and in line with the Bank's strategic emphasis on innovation and digitisation to support financial inclusion and stimulate economic growth; innovative measures were taken aiming at improving self service capabilities through a comprehensive, secure and efficient platform offering financial services. This has increased operational efficiency, enhanced transparency and strengthened risk management which in turn helped reduce carbon footprint.

Jordanian Economy Highlights

Real GDP Growth Rate

Jordan established a track record of fiscal reform implementation and prudence (backed by the IMF) which will likely contribute to a further narrowing of its fiscal deficit and a decline in government debt over the next few years.

Inflation Rate (CPI, Average Annual)

The annual inflation rate in Jordan is projected at 3.9% for 2023. The rate is mostly affected by the pressure that comes mostly from prices of housing and utilities, notably fuels and electricity.

Foreign Currency Reserves (USD Bn)¹

Foreign Currency Reserves is forecasted to reach USD 17.3 billion in 2023 – an increase just shy of 10% from year end of 2022 which amounted to USD 15.8 billion.

Jordanian Banking Sector

Total Bank Deposits (USD Bn)

Standing at USD 60.8 billion as of August 2023, Total Bank Deposits witnessed a rising trend throughout the years.

Total Bank Loans (USD Bn)

At USD 47.1 billion, Banks' Total Loans similarly witnessed an increasing trend, with Loan to Deposit ratio reaching 77.1% in August 2023 compared to 77.4% by end of 2022.

Prime Lending Rate

Given the several increases applied on interest rate since 2022, the Prime Lending Rate for banks stood at 11.39% as of August 2023.

Iraqi Economy Highlights

Real GDP (% Change)

Lower oil production coupled with the foreign exchange (FX) market volatility (due to high controls embedded for Anti-Money Laundering and Combating the Financing of Terrorism on FX sales) resulted in real GDP to contract.

FX sales has adversely affected import dependent non-oil sectors the most, consequently real GDP is forecasted at a low of 1.8% for 2023.

Inflation Rate (CPI, Average Annual)

Inflation remained elevated until 2022 fueled by rising energy prices, demand pressures and high global commodity prices due to supply side disruptions. According to Moody's the rate is forecasted at 4.8% for year 2023.

Foreign Currency Reserves (USD Bn)

Record oil exports in conjunction with high oil prices have brought in record oil revenues for the Iraqi government and pushed international reserves to their highest levels in more than two decades.
