OUR PURPOSE

Better Banking for Jordan & Iraq

Capital Bank Group aims to provide innovative, simplified, and holistic financial solutions through enhanced products & an elevated level of customer service and experience in the Jordanian and Iraqi markets.

OUR STRATEGIC PRIORITIES

Digital Convenience

To build our digital capabilities and introduce digital banking (NeoBank) which will put Capital Bank Group on the path of complete digital transformation to become a fully digitalized bank.

Geographical Expansion

To expand the regional footprint of the Group through establishing a full fledge presence in Saudi Arabia and in UAE – DIFC, thereby connecting the Group with two of the largest economies in the region and empowering NBI to become a major player in the Iraqi market.

Service Quality

To transform the Group's products and services offerings, through continuous innovation, into a holistic value proposition that meets the banking and investment needs of our clients and revolves around elevating their customer experience.

Organic Growth

To grow organically through executing and delivering on a well-defined plan that will enable the group to position itself as one of the top consumer banking groups and the number one gateway for institutions conducting business in Jordan and Iraq.

SOLID GOVERNANCE & DECISION-MAKING

ESG AWARENESS & APPROACH

ENVIRONMENTAL

SOCIAL

GOVERNANCE

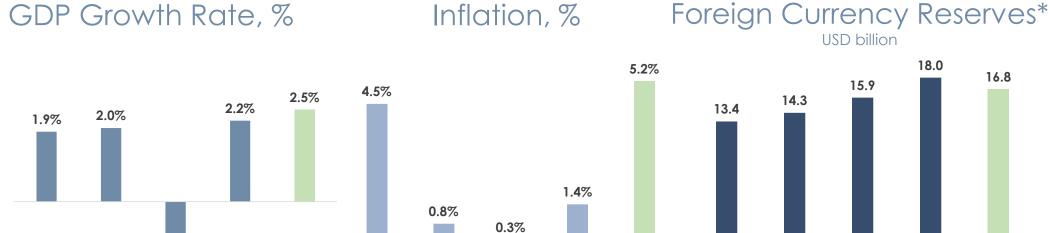

- Capital Bank implements a regular Environmental & Social ("E&S") performance assessment through an E&S board-approved policy that is based on IFC standards.
- The bank has fully integrated the E&S procedures pertaining to categorization, assessment and monitoring into the credit approval system.
- Designated credit/front office staff members have received adequate E&S training through the IFC E-learning platform to enable them to report any E&S risk as part of their standard processing of transactions.
- According to Capital Bank's E&S policy, Capital Bank categorizes its transactions based on exposure to E&S risk sectors, performs an analysis for relevant transactions to assess the identified risks, mitigates and manages risks associated to those transactions by identifying the problems and designing adequate solutions using IFC Standards.
- Capital Bank also monitors the E&S performance of clients through staff annual site visits and questionnaires.
- Capital Bank takes active measures to reduce its environment footprint, through implementing waste, paper and plastic recycling in partnership with local NGOs.
